

Hampton Women's Club

The Hampton Women's Club has been serving the community for 41 years. Unfortunately, we have decided to dissolve the club and I would like to thank all the members of our club both past and present as we close this chapter in our history.

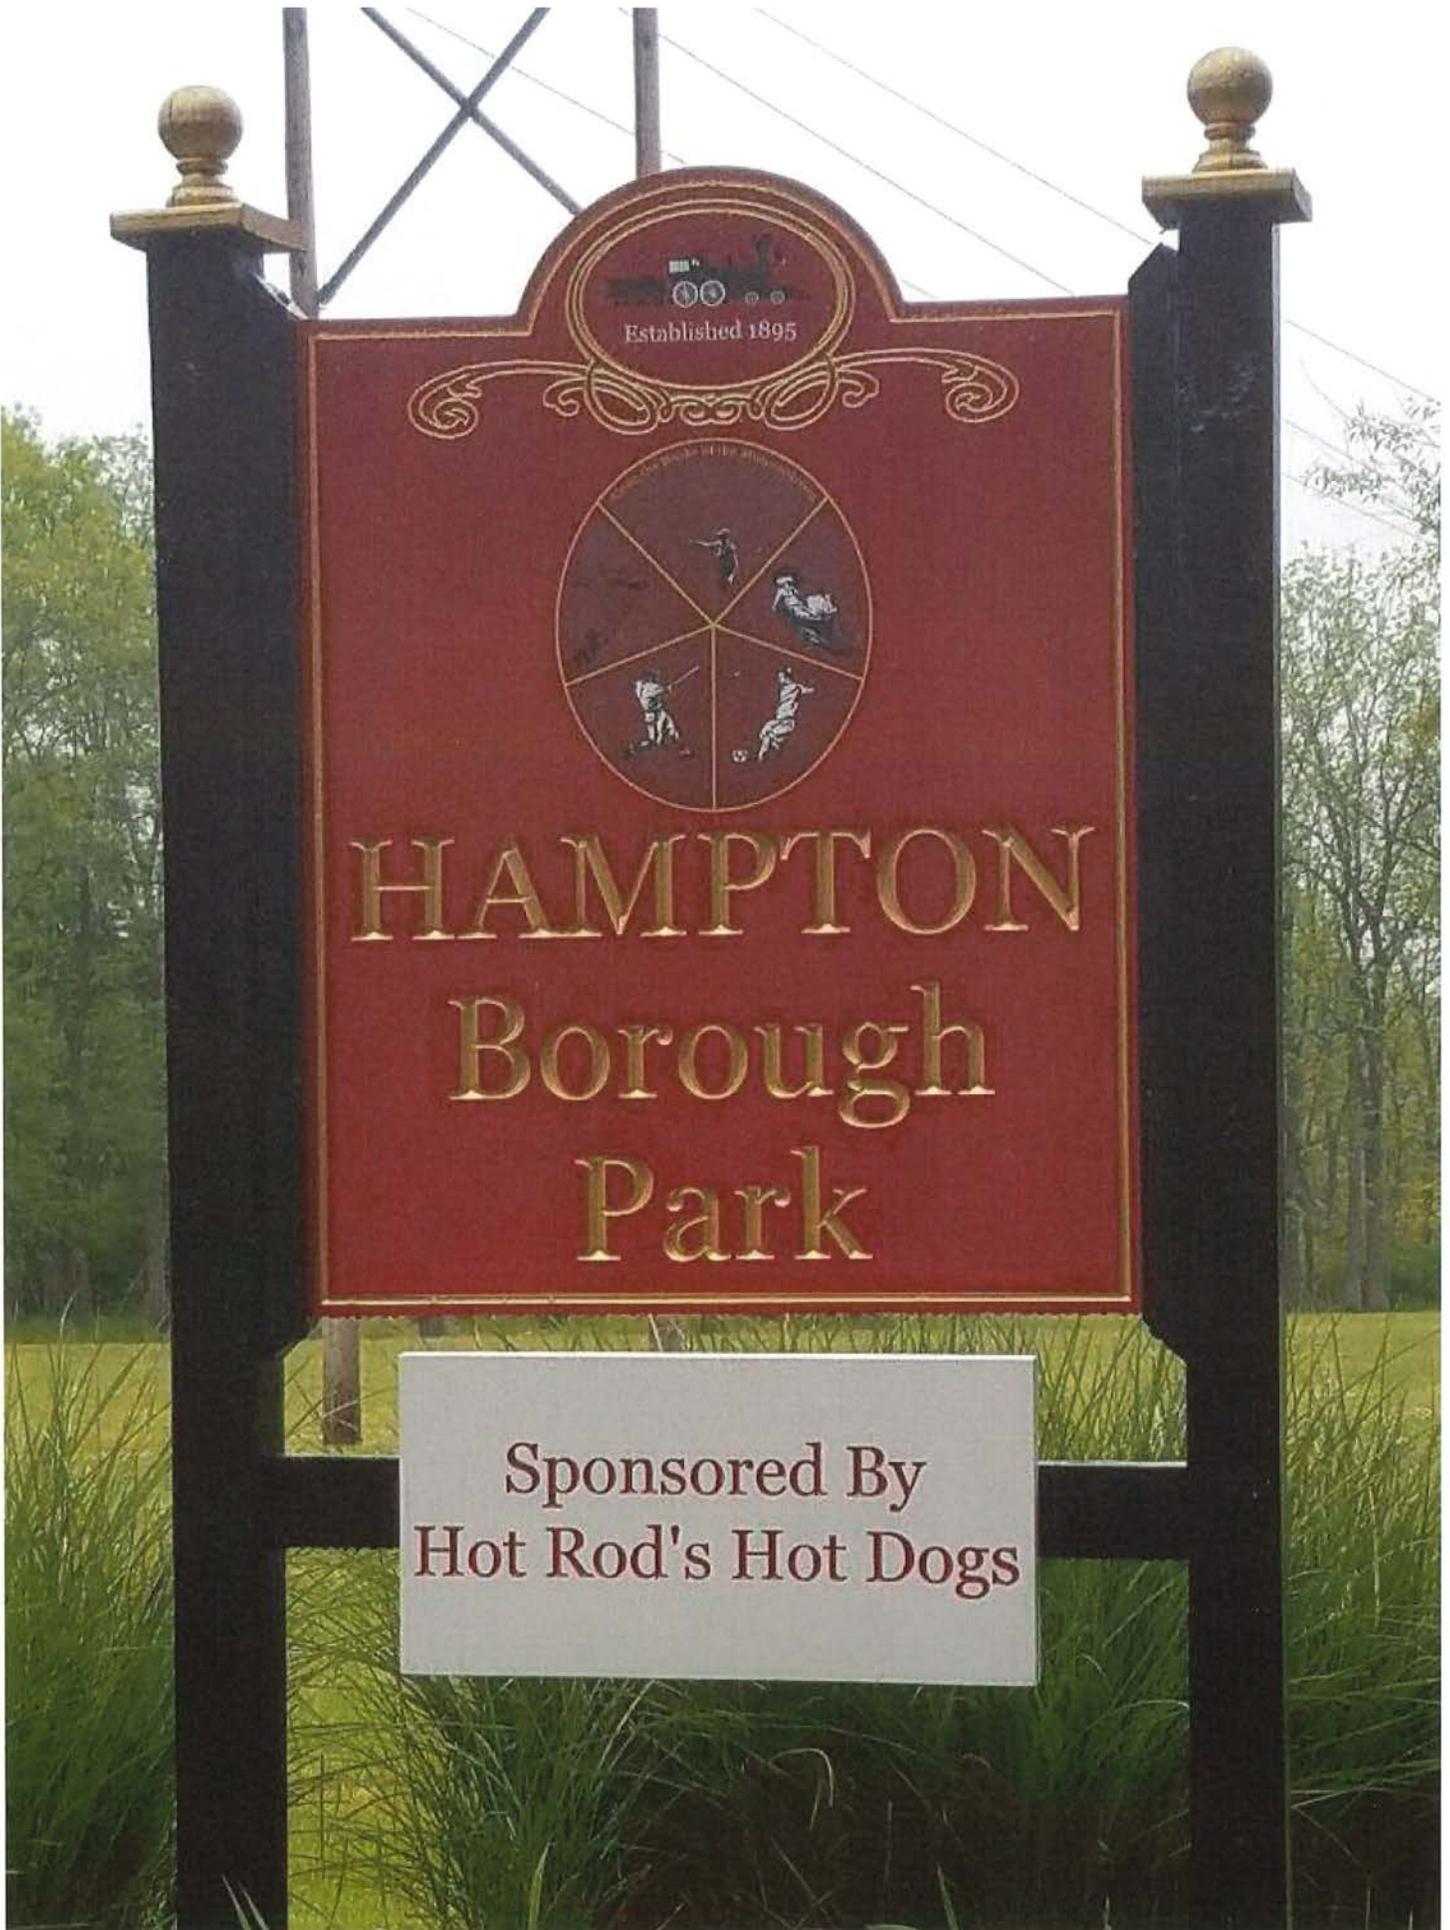

The Hampton Women's Club has run many activities which included the Easter Egg Hunt, Luminary Sale, Scholarship program, Town Wide Yard Sale, and at the Hampton School a yearly program for the students. We have held Easter and Thanksgiving raffles and donations to those in need. In the past there was also a Halloween Event and Dinner Dances to raise money. Then over the years we have done a variety of things to help to beautify our small town such as the Hampton Flags seen proudly flying throughout our community, the bench in the Memorial park, the ark that used to be down at the Borough Park, the Holiday decorations-the old ones which were around for over 25 years and now the new snowflakes. We decided our last way to honor our community was by getting the new Hampton Signs that grace our roads as you enter the town.

The snowflake lights and the Hampton signs would not have been possible if it were not for the generosity from Mr. Bogart a long-time member of our town who left a donation to our Club. We purchased these in his memory, and I hope he is proud of the way we have honored him and the community that he loved.

It has been our honor to serve this wonderful community. For the last 10 years or so a group of 10 hard working women who have done so much for Hampton Borough which includes one of the original members-Addy Bridge. Here are your other amazing neighbors-Lynn Cote, Carol Kotopoulis, Sheila McIntyre, Diane Mascola, Merilee Schneider, Monica White, Lisa Cregar, and Ann Marie Byrne. Thank you to all and I have enjoyed not only serving our community with you but also gaining a great group of friends.
